

CONVERSATION

We are going to talk about YOUR NEIGHBOURS.

- 1) Have you ever had any affairs with your neighbours? If yes, what were they about? If not, what do you think makes your relationship harmonious?
- 2) How do you think we can help our neighbours?
- 3) What do you consider the worst pet hates of neighbours?
- 4) Would you like to have more or fewer neighbours around your future home? Why?
- 5) What fun events would you organize in your neighbourhood (or close community)?

DEBATE

“Making school uniforms compulsory is an old-fashioned idea.”

You will have a discussion with your examiner about the above statement. Give your opinion, and argue for or against the proposition. Your examiner will sometimes contradict you. React to their counter-arguments.

You have 30 seconds to think your points over.

You may want to consider these aspects:

- *self-expression*
- *comfort or discomfort*
- *financial burden on families*

INDIVIDUAL LONG TURN

Pictures below show ways of living by the 4 / 5 Rs. Look at the pictures and talk about them. When you have finished, refer to the follow-up questions.

Do you try living the environmentally friendly way? Why or why not?
Which of the pictures refer to the most urgent issue?
Why do you think people reject recycling?
Do you agree that climate change will stay forever?
